Grading Metrics Graph Grid

Description

This is our 'Grading Metrics Graph' section. Teachers have a graph chart which automatically analyzes the data from the 'Current Story' section. The graph charts can be adjusted with any story the child engages with. It uses the data to provide parents with information on how they can adapt the story levels to build their students' reading confidence. What are your first impressions of this section? Do you have any ideas and thoughts that could make this section better? Do you feel there is anything unique about its design? Does this section offer enough different functionalities? Be sure to leave feedback in our comments section and submit new ideas in our Ideas section.
